---

## CLINICAL PEEL

158 / 80mins

*Our Clinical Peel service is a restorative cosmetic procedure that can help reduce the signs of aging on your face. During a chemical peel, our esthetician will apply a specialized clinical solution to your skin that peels away damaged skin cells, allowing healthy skin to grow in their place. This procedure can help improve a range of skin issues, including wrinkles, hyperpigmentation, acne, and uneven skin texture. Our Clinical Peel is a safe and effective way to revitalize your skin and restore its natural, youthful glow.*

## OXYGEN ACNE CARE

158 / 80mins

*Our Oxygen Acne Care service is a five-step treatment that starts with a thorough cleansing of the skin, followed by a chemical peel to eliminate dead skin cells. Next, a unique Oxygen Complex is applied and penetrates into the skin through a relaxing effleurage massage, which invigorates the skin and restores its radiance. This treatment is specially designed to address acne-prone skin, helping to reduce inflammation and promote healthy, clear skin. Our Oxygen Acne Care service is a safe and effective way to revitalize your skin and achieve a healthy, glowing complexion.*

## VITAMIN C SPA

188 / 90mins

*Indulge in the ultimate spa experience with our Vitamin C SPA service. Your skin will benefit from the nourishing power of the sea with the application of Seaweed Patches, which will caress your skin and uplift your senses with essences reminiscent of delicate orange blossoms. As the patches are activated with a continuous massage of the activating lotion, they will dissolve and infuse the skin with powerful vitamins and minerals. This rejuvenating treatment visibly improves the skin's elasticity, leaving it looking youthful, rejuvenated, and feeling soft and supple. Our Vitamin C SPA service is the perfect way to pamper yourself and restore your skin's natural radiance.*

## YOUNGER 90-II

228 /100mins

*Experience the transformative effects of our Younger 90-II service, an exclusive and highly acclaimed rejuvenating treatment that will leave you looking and feeling younger. This intense treatment is specifically designed to dramatically reduce the appearance of visible lines and wrinkles, helping to restore your skin's natural firmness and elasticity. Our expertly trained therapists will pamper you with a series of targeted treatments and techniques, leaving you feeling rejuvenated and refreshed. The treatment concludes with an application of our velvety Vitality Cream, leaving your skin feeling as silky and smooth as it looks. Our Younger 90-II service is the ultimate indulgence for anyone looking to turn back the clock on aging and restore their skin's youthful glow.*
